The fost says the plot was hatched in by Vice-Consul Rberhardt, of Austria. The at court were very lew in number. Post says the New York police at once notified the Pittsburg authorities and a close watch for Assonstainin is being kept about all the Anarchist's resorts.

As a result of the disclosures additional guards have been placed about the Carnegle dings and Mr. Frick's residence, and desectives accompany him wherever he goes. Mr. Frick regards these precautions as unnecessary, but his friends insist upon this

The Post says the matter has been kept secret by the police authorities of New York and Pittaburg in the hope that they might succeed in capturing Aaronstamm. In this connection it can be said that Sec-

retary Lovejoy has been warned that he has only until the 15th inst. to live. Other officials of the Carnegie Company have also received threatening letters. The police are satisfied, however, that they can irustrate the plans of the Aparchists.
